Terms and Conditions:

1. If transfer information you provide is incomplete, the Credit Union will not be able to process the transfer request. Transfers will be sent to only recognized creditors or financial institutions and will not be sent to your home or billing address.
2. Please continue to make your minimum required payment until the request transfer payment appears on that account's billing statement. The Credit Union is not responsible for any remaining balance on that account, or for any finance or other charges you incur due to delays in transferring a balance.
3. If you transfer an amount for a transaction you dispute, you may lose some or all of your rights against the other creditor.
4. While the Credit Union can pay your accounts directly, the Credit Union can not close them for you. If you wish to close any of the transfer accounts, you must do so yourself.
5. Account balance transfers are contingent upon account setup and assigned credit limit. In some cases the Credit Union may not be able to process a balance transfer request.

For a balance transfer be advised that federal regulation requires a 10-day processing delay for a new credit card account so that applicants may receive their initial account agreement and disclosure prior to completing the balance transfer. Please continue to make payments on the account you are requesting to pay until the balance transfer is reflected on your Barksdale Federal Credit Union account.
